## DANIELSON AND PUTNAM NEWS

### DANIELSON

Coroner Holds D. E. Jette Blameless for Death of John Riley—Unfortunate Man Had Been Drinking—Sterling Man Fined for Violating Liquor Law—Coon Hunters Return with Four.

Coroner A. G. Bill gave out the following finding Monday relative to the death of John Riley:

The undersigned, coroner within and for the county of Windham, having received notice on the 23d day of November, 1911, that one John Riley of the town of Killbuck had been dangerously injured while walking on a public highway in the town of Killbuck, between the villages of Danielson and Elmville, by being struck by an automobile driven by Dorethe E. Jette of said Killbuck, and that said Riley was then lying in the Day-Kimball hospital in the town of Putnam, I communicated with said hospital, and found that the said Riley was unconscious and unable to make any statement concerning said injury. And having received notice about 7:30 o'clock p. m. on the morning of the 23d day of November, 1911, that said John Riley had died about 8 o'clock a. m. on the said day, I proceeded to view the body of said deceased, and on the 24th day of November, 1911, held an inquest concerning the cause and manner of said death at my office in Danielson, in said county, and thereat, in testimony taken at said inquest, I find that said John Riley, after visiting a season on Main street in Danielson with one Andrew Healey, started about 11 o'clock p. m. to walk to their boarding place in Elmville. That when about opposite the tenement house of Frank A. Davis, they saw an automobile approaching, and the said Healey remarked to said Riley, "There comes an automobile, look out." That thereupon said Riley appeared to be somewhat bewildered and started to the left side of the road, and stepped directly in front of said automobile. That the said Healey made an attempt to get hold of said Riley to pull him toward the right side of the road, but was unable to do so in time to save him from being hit. That said Riley was hit just about his left hip, by the fender of said automobile, and thrown violently to the ground, rupturing his bladder, and rendering him unconscious, and he never regained consciousness.

I find that the lights on Mr. Jette's automobile were properly lighted, that when he saw the said Riley and Healey approaching in the middle of the highway and about five hundred feet distant, sounded his horn, slackened his speed, and turned his machine to the right of the highway, so that his wheels grazed the curbside. That he stopped his machine before the same had passed by the body of said Riley. I find that Mr. Jette did everything in his power to avoid said accident, and after the same occurred, rendered all the assistance possible to the injured man.

I therefore find that the said John Riley died at the Day-Kimball hospital in Putnam on the 23d day of November, 1911, from said injury, resulting from being struck by said automobile, while walking in the highway as above stated, while under the influence of intoxicating liquor, and that said death was not caused by the criminal act, omission, or carelessness of any other person or persons.

In accordance with the statute, I delivered the body of said deceased to E. E. Smith, undertaker, of Putnam, Conn., designated by the sister of said deceased, to take charge of said body.

Dated at Killbuck, this 24th day of November, 1911.

ARTHUR A. BILL, Coroner for Windham County.

PAID \$30 AND COSTS.

Gordon Love of Sterling Caught by State Police Violating Liquor Laws.

Before Justice Bradford Danielson of Moosup, Gordon Love of Sterling pleaded guilty Monday to violating the liquor law and was fined \$20 and costs which he paid.

Love's troubles grew out of a raid made on his place, between Sterling and Oneco, Sunday, by State Police men Jackson, Wheeler and Bridgeman. In the cellar of his home a nice little den had been fitted up and it was found that about 100 bottles of beer were seized. Love was away at the time of the state officers' visit, but two men, who were not arrested, were found in the place. Another and a license place in Sterling was visited by the officers, but they found everything quiet and nothing doing.

**STOMACH DISTRESS, GAS AND DYSPESIA WILL GO.**

Heartburn, Gas and Indigestion Go Five Minutes After Taking Pape's Diapiesin.

As there is often someone in your family who suffers an attack of indigestion or some form of Stomach trouble, why don't you keep some Diapiesin in the house handy?

This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes after.

Tell your pharmacist to let you read the formula, plainly printed on these Diapiesin cases. It tells you exactly how you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes, and relieves all such miseries as Belching of Gas, Eructations of sour, undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders.

Some folks have tried so long to find relief from Indigestion and Dyspepsia or an out-of-order stomach with the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach, or Cancer.

This, no doubt, is a serious mistake. Your real trouble is, what you eat does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and, besides, poison the blood with noxious odors.

A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the Stomach, is waiting for you as soon as you decide to try Pape's Diapiesin.

**Starts Much Trouble.**

If all people knew that neglect of constipation would result in severe indigestion, yellow jaundice or violent liver trouble they would soon take Dr. King's New Life Pills and end it. It's the only safe way. Best for biliousness, headache, dyspepsia, chills, and debility. 25c. at The Lee & Osgood Co's.

**Backache, Headache, Nervousness and rheumatism** both in men and women, mean kidney trouble. Do not allow it to progress beyond the reach of medicine, but stop it promptly with Foley Kidney Pills. They regulate the action of the urinary organs. Tonic in action, quick in results. Lee & Osgood Co.

Has Been Given Into Custody of Selectmen for Burial.

Unidentified, the skeleton of the man found dead recently in the woods in Pomfret, has been turned over by Coroner A. G. Bill to the selectmen of the town for burial. There is not much prospect that the man's identity will ever be fixed.

**Praise for Pomfret's Team.**

An item in a Boston paper of Monday, in connection with a picture of the football team of Noble and Greenough, includes a comparison of that team's work with other private schools in the vicinity of Boston, and also with the team of Pomfret school, with which N. and G. played a tie. The comparisons made are such as to indicate that Pomfret's team is one of the very best for 1911 of any in the circle in which it plays.

**HORSE THIEVES CAUGHT.**

Henry Hall and Edward Mason in Jail in Default of \$1,000 Bonds Each.

From the city court Monday Henry

Hall, 23, North Attleboro, Mass., and Edward Mason, 30, Mansfield, Mass., were sent to jail at Brooklyn, each in default of bonds of \$1,000, to await trial at the next term of the superior court, on a charge of having stolen a horse from Charles M. Fales of Attleboro Falls, on the night of November 21. Hall made a confession, in which he admitted the crime, but Mason disavows Hall's story of the affair in its particularly important features. Hall pleaded guilty to the charge and probable cause was found for holding Mason for trial.

The arrest of Hall and Mason here on Sunday night was due to the efforts of Deputy Sheriff George F. Holbrook and Captain John Murray. The latter during the week received a card from Mr. Fales notifying him of the fact that a rig had been stolen from his stables and giving a description of the horse.

Sunday the attention of the officers was called to the fact that a young man had been made by two young men at Ballouville, the latter taking their horse and giving them in exchange another horse and \$25 to boot. Upon investigation the officers found that the horse Parker had traded for the one stolen from Fales at Attleboro Falls. They immediately started to look for Mason and Hall, both of whom were captured here late Sunday night. Hall at Joe Blake's house and Mason on the street near Bugbee's corner, just after he had returned from Webster, where he had sold the horse for \$100.

Under pressure, Hall confessed to the officers the story of the theft. He said that Mason was with him when he was captured at Ballouville, and was out of Fales' stable after forcing the lock, but Mason, who did not know what Hall had told, said he met the latter in Eastwick with Hall. That Hall asked him to take a ride, and that he had accepted, driving to Uxbridge, and later to Thompson and Putnam.

It has also developed that at West Thompson Hall and Mason traded the wagon stolen from Fales with Joseph Messier, who paid them \$7 in exchange, he taking a good rubber-tired buggy in the deal. Both Messier and Parker got their money back Monday and, respectively, the buggy and the wagon, but they traded for with Hall and Mason.

Fales came here Monday from Attleboro Falls, got his rig and started it for home.

The case in its developments has caused the local officers to believe that they can locate one and probably two more stolen horses.

**Observed Wedding Anniversary.**

At South Woodstock Monday evening Mr. and Mrs. Robert Kirby Safford observed the tenth anniversary of their marriage. About 75 were present, and the evening was very pleasantly spent. Delightful refreshments were served.

When so eminent a food expert as Dr. Wiley not only approves, but actually advocates the use of a product, you may be absolutely assured of its purity and healthfulness. Cottonseed oil is perfect in character—has
